Message: When with dignity, win/win. When without
dignity, loose loose loose. That goes for every political
leaders, The Issue we have a problem, not only USA
but the world. The United States is ahead of everything
good & bad: and this one is to re-inforce the foundation
of US& our world's problems. The Country (USA) was founded
by sedo-christian laws. There is no separation between
Church & State. There is separation, but we can
separate world of God between United States & world wisely
