RETURN AMERICA TO ITS FORMER GLORY UNDER GOD!

To Attorney General Michael Mukasey :

Dear sir: It seems that someone, one of my opponents, have been spying on me, They have been listening on my phone conversations, and its been going on a long time. I believed I was kidnapped because of that behavior, and that type of behavior is uncalled for. Its like your former colleague John Ashcroft once said " That no one is above the law" I am running for president under the independent party, I am deeply gratified for your help in my, situation, I was considering relocating to another country because of the behavior going on. I will send you documents to support my claims.

I have faith in God and you, its good to united states to look into the issue.

Sincerely Megally Megally
Independent for president 2008
